## Bases 🔖

Easy General Skills picoCTF 2019

AUTHOR: SANJAY C/DANNY T

### Description

What does this `bDNhcm5fdGgzX3IwcDM1` mean? I think it has something to do with bases.

### Hints ❓

**1**

Submit your answer in our flag format. For example, if your answer was 'hello', you would submit 'picoCTF{hello}' as the flag.

## Solution

The title itself was a hint that the string 'bDNhcm5fdGgzX3IwcDM1' was a base64 encoding. I used a base64 decoder on my kali gave me the contents of the flag as "l3arn_th3_r0p35".

The final flag was picoCTF{l3arn_th3_r0p35}.
